# GrEditor Settings

Graphic editor settings

The settings of the process D2000 GrEditor are being configured in the **Gr. Editor Settings** dialog box. To open this dialog box, click the item **Gr. Editor settings** in the menu **Settings**. This item is also included in the popup menu opened by pressing the right-mouse button on the picture when no graphic object is selected.

The dialog contains the following tabs:

- Workplace
- Pictures
- Gr. Objects
