

HI_SetGraphTimeZoneVisible

%HI_SetGraphTimeZoneVisible function

Function	The function %HI_SetGraphTimeZoneVisible allows to switch off a displaying of selected time zones.						
Declaration	<pre>%HI_SetGraphTimeZoneVisible(INT in _refId, INT in _zoneId, BOOL in _bVisible)</pre>						
Parameters	<table><tr><td>refId</td><td>Reference to graphic object (reference variable).</td></tr><tr><td>zoneId</td><td>Identifier of zone, number from 1..n. Zones which are not defined by time range have a value = 0.</td></tr><tr><td>bVisible</td><td>Displaying / not displaying of time zone in graph.</td></tr></table>	refId	Reference to graphic object (reference variable).	zoneId	Identifier of zone, number from 1..n. Zones which are not defined by time range have a value = 0.	bVisible	Displaying / not displaying of time zone in graph.
refId	Reference to graphic object (reference variable).						
zoneId	Identifier of zone, number from 1..n. Zones which are not defined by time range have a value = 0.						
bVisible	Displaying / not displaying of time zone in graph.						
Description	The function allows to switch off a displaying of selected time zones (e.g. Saturdays, Sundays, holidays, time from 6 p.m. to 6 a.m., etc.).						
Example	<pre>ENTRY TimeZones_OnClick TIME _gbt TIME _get _get := %NextTime(3600, 3600, 0) _gbt := %SubTime(_get, 8*3600) %HI_SetGraphTimes(_Graph, _gbt, _get, @TRUE) %HI_SetGraphTimeZone(_Graph, 1, %AddTime(_gbt, %StrToRelTime("01:00:00")), % AddTime(_gbt, %StrToRelTime("02:00:00"))) %HI_SetGraphTimeZone(_Graph, 2, %AddTime(_gbt, %StrToRelTime("03:00:00")), % AddTime(_gbt, %StrToRelTime("04:00:00"))) %HI_SetGraphTimeZone(_Graph, 3, %AddTime(_gbt, %StrToRelTime("05:00:00")), % AddTime(_gbt, %StrToRelTime("06:00:00"))) %HI_SetGraphTimeZoneColor(_Graph, 1, %MakeRGB(0, 127, 0)) %HI_SetGraphTimeZoneColor(_Graph, 3, %MakeRGB(255, 0, 0)) %HI_SetGraphTimeZoneVisible(_Graph, 2, @FALSE) END TimeZones_OnClick</pre>						
Note	If data, designated for displaying in graph, is send to hidden time zone it will be ignored during drawing.
