# Time Interval Selection (HI)

## Time interval for displaying data in graph

The following dialog box allows to define a time interval for displaying data in the graph.

**To define a time interval**

1. In the graph window, click the button [clock icon] – **New time interval**.
2. It opens the dialog box allowing to define a time interval.

3. In the calendar (**1**), select the required month and year of the time interval beginning (click the items showing year and month). The red item (**4**) shows the current date.
4. In the calendar (**2**) select the required month and year of the time interval end.
5. In the calendar (**1**) click a day - the time interval beginning and hold down the mouse button.
6. In the calendar (**2**) click a day - the time interval end and release the mouse button.
7. Time interval may be also defined in the input fields (**3**) showing required time parameters (**3**).
8. To confirm your settings click the **OK** button.

**Note:**
Time interval within one month can be defined in one of the calendars.
