# Flip

Flip a graphic object

Selected graphic objects (selection of graphic objects) can be rotated vertically or horizontally.

To flip graphic objects

1. Select the object, you want to flip.
2. On the Edit toolbar click on the following buttons:

   - ⊟ - flip horizontal
   - ⊞ - flip vertical

or select the item **Rotate** from the popup menu opened by pressing the right mouse button in the picture when selecting the graphic objects.
