

# Dictionary (Toolbars (D2000 GrEditor))

## Toolbar Dictionary

The toolbar **Dictionary** enables one to choose terms in three languages from the dictionary. The meaning of the buttons is stated in the list below.

|   |  |
|---|--|
|  | Opens the dictionary.                          |
|  | Includes the terms in the dictionary.          |
|  | Disables the languages.                        |
|  | Usage of the term from the Slovak dictionary.  |
|  | Usage of the term from the Czech dictionary.   |
|  | Usage of the term from the English dictionary. |
